Security Industry Veteran Chris Mack Joins Cloudscann as Director of Sales *Territory Includes United States and Canada*

Garden City, NY—October 16, 2019: Cloudscann Inc. (Cloudscann) is pleased to announce that Chris Mack, CPP, has joined the company as the Director of Sales for the United States and Canada. Based in metro NY/NJ, Chris is a 27-year veteran of the security industry and has held sales and management positions with major manufacturers including Honeywell, Lenel and Qognify. Most recently, Chris was Vice President of Sales for Kogniz, Inc, a Silicon Valley-based facial recognition software company. Chris has extensive expertise in video, access control, situational awareness software, analytics, and SaaS solutions. At Cloudscann, Chris will develop new business, build the sales team, create an integrator channel, and support industry consultants.

Chris is a member of *ASIS International* and holds the coveted CPP (Certified Protection Professional) designation. He was a member of the Board of Directors for the New Jersey Burglar and Fire Alarm Association (now NJESA) for 10 years, holding several positions including Chapter President. Chris holds a Bachelor of Science degree in Criminology from Florida State University.

About Cloudscann

The Cloudscann suite of mobile applications dramatically extends the reach and value of event-based monitoring and control systems. They allow businesses in a variety of industries to minimize threats and risks, monitor and respond to incidents in real time, improve operations, and reduce costs. Cloudscann is based in Garden City, New York and serves clients nationally. For more information visit www.cloudscann.com.
